Solo Audition

Solo auditions will occur the first two scheduled audition days (**March 18th + 20th 2024**). March 18th will be at Memorial for current 8th graders. March 20th will be at Bradley for current high school students. You will have a scheduled 3 minute audition slot where you will sing a pop song **a cappella**. Audition sign ups will be available on sign up genius. Students will be asked to sing one verse and one chorus of their song (approx. 1 minute) however, you may be asked to sing more of the song (a 'pop song' includes almost every style of music excluding classical and musical theater). Auditionees are encouraged to pick music they listen to in their free time and a song that best showcases their voice. Students will receive an email notifying them if they are receiving a callback audition.

**Middle School Solo Auditions will be Monday March 18th from 3pm-4:30pm
Memorial Middle School Choir Room**

**High School Solo Auditions will be Wednesday March 20th from 3pm-4:30pm
Bradley High School Choir Room**

Callback Audition

Callbacks will occur after the solo auditions (**Friday March 22nd, 2024**). Students will be notified by email about callbacks. Due to the nature of putting together three groups of voices, it is a requirement to attend callbacks for the full duration to be placed in a group. Those who have received a callback will have one full day to prepare a song provided by the directors. **Students should learn the part specified by the directors in the callback email** (Some students may be asked to learn multiple parts). Sheet music as well as learning tracks will be provided and students are encouraged to work together to prepare. It is an expectation that you come to callbacks knowing your part extremely well. You are not required to have the song memorized, but you should know it well enough that you only need to glance at the music. Following the callbacks, the directors will announce a list of those students who have made each group.

PLEASE READ: What we are looking for in your audition: Strength of voice, tone quality, pitch, dynamics, range, confidence, emotion, and "stage presence". We are also looking to put together groups with a good **balance** of voices that will **blend** together and singing experience. Please understand that if you do not make it, there are many factors that go into choosing people for an a cappella group.

**Callback Auditions will be Friday March 22nd from 3pm-5pm
Bradley High School Choir Room**

It is your responsibility to find out from someone in your section what you missed and get any rehearsal notes and information.
